Maybe even better than free.

Using file, you can circumvent those limits without paying to upgrade your team chat service. File is free to use with no gotchas and no hidden fees. Alternatively you can choose to share your download links on blogs, forums and social networking sites. Files can be downloaded from any computer from our high speed servers. You can upload any type of file (movies, music, documents, images, zip files and more). The cost of that data transfer is covered by your internet service or the data plan on your phone. You don't need any special software installed to be able to download your files. Why pay storage fees for a file that you just wanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that can be transferred within their apps. It isalso allowed to link to the download page from websites and communities. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storage fees. You can give this download link to your friends by mail or instant messenger. Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is being transferred between your computer or phone and our servers, then from ourservers to your friends device. Simply upload your file and share the link. Keep your files private, or send your download links only to friends or family. Anyfile in any format can be uploaded and downloaded for free. No account or credit card is required to get started. Our service is completely free for everyone. There are no

restrictions on the number of times a file can be downloaded. If only we could, we surely would! On the other hand, using file can actually saveyou money.
