Maybe even better than free.

Unfortunately, we can't make that part free. There are no restrictions on the number of times a file can be downloaded. Files transferred the old-fashioned way tend to pile up and be forgotten about, eventually costing you money in data storage fees. So try our free and simple filehosting service now. Files can be downloaded from any computer from our high speed servers. Alternatively you can choose to share your download links on blogs, forums and socialnetworking sites. Using file, you can circumvent those limits without paying to upgrade your team chat service. Why pay storage fees for a file that you justwanted to send to a friend or colleague? Also, many team chat apps have limits to the size of files that can be transferred within their apps. We have no file sizelimit. It is also allowed to link to the download page from websites and communities. Any file in any format can be uploaded and downloaded for free. If onlywe could, we surely would! On the other hand, using file can actually save you money. You can give this download link to your friends by mail or instantmessenger. You decide who you want to share your files with. No account or credit card is required to get started. Keep your files private, or send yourdownload links only to friends or family. File is free to use with no gotchas and no hidden fees. filehosting provides an easy possibility for you to send largefiles to your friends. The cost of that data transfer is covered by your internet service or the data plan on your phone. Simply upload your file and share the link.Your wallet will be none-the-lighter! Just so we're all 100% clear here: When you share a file, data is being transferred between your computer or phone andour servers, then from our servers to your friends device. When you use file, you avoid storing the file you're sending in your cloud storage or mail server. Youcan upload any type of file (movies, music, documents, images, zip files and more). Our service is completely free for everyone. This is easy, fast and reliablefilehosting! You don't need any kind of premium-accounts. You don't need any special software installed to be able to download your files. Just upload the fileyou want to share with your friends and we send you a download link to your file.
